

About IC TIME 2016

International Conference on Trends in Industrial and Mechanical Engineering (IC TIME-2016) aims to provide a vibrant platform for academicians, researchers and industry practitioners from the related areas to share their original research work and practical experience. It provides a multi-disciplinary forum for the exchange of knowledge and expertise in the recent developments in the fields of Engineering Science and Technology. The conference will address recent issues and will look for significant contributions to advanced engineering studies in theoretical and practical aspects. There will be key note addresses, invited lectures, paper presentations and audience participation during the conference.

About MANIT, Bhopal

Maulana Azad National Institute of Technology (M.A.N.I.T), Bhopal is an Institute of National Importance and one of the pioneering engineering institutes of the country that

contributed many outstanding engineering professionals. It was established in the year 1960 and named

after the great scholar, educationist and the first education minister of Government of India, Maulana Abul Kalam Azad. Currently, the institute is running 9 UG, 29 PG and Ph.D. programmes in various disciplines of engineering and applied sciences with the help of about 200 competent faculty members. Special focus is given to interdisciplinary and application oriented research with an aim of bridging the gap between academicians and industry professionals.

About the Department

Department of Mechanical Engineering came into existence in the year 1960. The department has thirty qualified and dedicated faculty members with specializations in various areas of Mechanical Engineering. At present, the

department runs one Undergraduate programme, five Post Graduate programmes and research programmes leading to Ph.Ds.

About Bhopal

Bhopal is the capital of Madhya Pradesh state and well

known worldwide as "The City of Lakes". It is well connected to various parts of country by Road, Rail and Air. The institute is located at a distance of around 7 kilometres from Bhopal railway station and 20 Kilometres from the airport.

Call for papers

Topics of interest for submission include, but are not limited to:

❖ Industrial Engineering

- Advanced Product Design and Development
- Artificial Intelligence and Knowledge
- CRM, MRP and ERP
- Decision Analysis/Decision Theory
- Engineering Management
- Ergonomics and Its Applications
- Human Factors Engineering
- Logistics and Supply Chain Management
- Multidisciplinary Product Development
- Operations Research & Optimization
- Plant Layout and Facility Planning
- Product Lifecycle Management
- Production Planning and Control

- Productivity and Benchmarking
- Project and Technology Management
- Quality Control and TQM
- Systems Modelling and Simulation
- Work Space Design and Equipment Management
- Work Study
- Advance Manufacturing Techniques
- Automation, Mechatronics and Robotics
- CAD/CAM/CIM
- Concurrent Engineering
- FMS and NC/CNC Machining
- Green, Lean and Sustainable Manufacturing
- Inventory and Quality Management
- Rapid Prototyping
- Rapid Response Manufacturing
- Reliability and Maintenance
- Surface Engineering
- Tool Engineering
- Entrepreneurship

❖ Mechanical Engineering

- Automobiles & Automotive Engineering
- Compressible Flows, Computational Mechanics
- Computational Techniques
- Dynamics and Vibration
- Energy Engineering and Management
- Fatigue and Fracture
- Fluid Dynamics. Mechanics and Hydraulics
- Fluid Flow & Transport Phenomena
- Fuels and Combustion
- Heat and Mass Transfer
- Internal Combustion Engines
- Mechanical Design
- Heat Power Engineering
- New and Renewable Energy
- Manufacturing automation modelling & simulation
- Manufacturing Management
- Material Science and Processing
- Measurement and Quality Engineering
- Metal cutting and Metal forming
- Nano-Technology & Nanomaterial Engineering
- Powder Metallurgy
- Casting and Forming Processes
- Composites and Smart Materials
